

Residential Branch Opportunity Matrix

Requirements:

Indicate branch eligibility requirements in numbers. Input zero (0) to indicate no requirement. Enter column 1 in millions; enter column 4 in thousands (e.g., 3 in column 1 means \$3,000,000; 3 in column 4 means \$3,000). Enter column 2 and 3 in months. Input the company minimums in each column to maximize search results.

Products: Enter Y to indicate that the company offers the mortgage product indicated in the column heading. Leave the column blank if it is not offered.

Services Provided: Enter Y to indicate that the company offers the service indicated in the column heading. Leave the column blank if the service is not offered.
